RE: Draft Ground Water Discharge Permit
for Leach Pad H-10, Jumbo Mine
No. UGW350001

Dear Mr. King:

For your review, a draft preliminary Ground Water Discharge Permit for the new leach pad H-10 at the Drum Mine is enclosed. Following our receipt of your consideration, the final draft Permit will be formally subjected to a 30-day period for public comment provided an acceptable set of detailed plans for the leach pad design has been obtained by the Design Evaluation Section of this Division.

Sincerely,

Fred C. Pehrson, P.E., Manager
Permitting, Compliance & Monitoring Branch
Division of Water Quality
Department of Environmental Quality
